

Breakfast Burrito

Ingredients:

4 10 inch tortillas

4 eggs

8 slices of bacon

Shredded cheddar cheese

1/2 cup diced onions (optional)

½ cup diced green or red bell pepper (optional)

A few drops of milk

Cook bacon in a large skillet over medium heat until done. Drain on paper towels. I like to put another paper towel on the top to get the grease off the top as well.

Whisk the 4 eggs together in a bowl; adding a few drops of milk, onion and bell pepper. Scramble lightly or however you like them. Meanwhile, place each burrito shell in the microwave for about 10 seconds. Remove from microwave; adding a quarter of the mixture topped with cheddar cheese to the center of the burrito; topping with two slices of bacon. Fold middle sides in and roll over forming the burrito shape.
