

Pancake Sandwich

Ingredients

8 pancakes

4 cooked sausage patties

4 eggs

Maple syrup or other syrup

Cook pancakes (see pancake recipe)

Cook sausage patties until brown on both sides

Cook eggs as you like, scrambled, poached, over easy, over hard or however you like em. For me, I prefer over hard for these.

To make your sandwich, lay one pancake on a paper towel or small bowl, add a little maple syrup. Then top with sausage patty, egg.

For the top pancake, add a little maple syrup on the pancake placing that side down on top of the egg and presto. You now have a pancake sandwich that will get those taste buds singing GOOD MORNING.
