

Simple Corned Beef Hash

3 cups cubed left over corned beef

2-3 large potatoes dices finely

1 onion diced

3 tbsp. olive oil

In a large non- stick skillet, heat olive oil and cook onions until they are tender. Add diced corned beef and potatoes. Cook on medium high heat until potatoes are browned. If it begins to stick, just add a little more oil, but if you stir it every 3-5 minutes it shouldn't stick.
